Dear Parents:

If you are waiting to call up your parents and neighbors about buying wrapping paper and Kettle corn, we're going to have to disappoint you again this year.

Building on the success of the past two years with BucksForBobcats, we're adding an additional way to donate as well as more information on how the money will benefit the children of Tularcitos Elementary.

Welcome to www.BucksForBobcats.org

It's the same great program as last year...the proceeds go directly to the children instead of the usual large percentage for the companies that sell the products. We're going to continue to have fundraisers involving family bonding time, building community relationships, promoting global awareness or boosting school spirit such as Fall Festival or Picnic in the Park.

100% of your donation goes to the school!
Donate one time or on a monthly recurring
Get a full breakdown on where the money goes

Big or small, all donations add up! Did you know that a \$25 donation could help purchase supplies for the science class? A \$50 donation could buy the clay needed for an Art Docent class?

Our Goal! \$10 monthly recurring or \$120 annually
Grandparents, family, and business can now
donate online securely with credit cards!

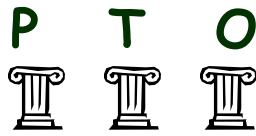

We thank you for your thoughtful consideration of this new venture and, as always, for your continued support. Here's to a successful year!
